

EILEEN DURFEE

INNOVATIVE HEALTH & SPINE SPECIALIST

Eileen Durfee is a former Nuclear Engineer, Innovative Health and Spine Specialist, and Inventor who has been featured on ABC, CBS, NBC, and numerous podcasts. She suffered significant health problems, including abnormal growth spurts, and was nearly disabled in an accident, yet through self-healing and programs, she is now at the top of her game. She has spent 35 years in the wellness industry and will share top tips for living an extraordinary life. Including how to reduce pain, avoid surgery, reduce injury, and increase overall mobility and athletic ability.
