

Lea Rodriguez

MULTIFAMILY REAL ESTATE SYNDICATOR

Lea Rodriguez is a highly accomplished individual with a diverse range of experience and expertise. She obtained her Doctorate in Physical Therapy from the prestigious University of Texas Medical Branch, and has spent over 29 years practicing in various healthcare settings as both a physical therapist and a director of rehabilitation. In addition to her successful career in healthcare, Lea is also a seasoned real estate investor with a substantial portfolio of properties. With ownership in over 5,100 apartment units in Texas and Arizona, as well as single-family rentals in Texas, New Jersey, and the Philippines, Lea has an impressive \$200 million in assets under management.
