

GERALD MCNABB

PASSIVE INCOME EXPERT

He grew up on a farm in Idaho and has degrees in Chemistry, Physics, and Engineering. After a career in research and development, he began investing in residential real estate. Over the last 21 years he has built a multi-family real estate business and has developed a system for building passive income wealth and reducing taxes. He is now presenting his investment secrets so you can build your own wealth using this proven system.
