

## **MELANIE AVERY**

## **CEO AND FOUNDER**

Melanie Avery is an Al Strategist and Founder of Avery Alliance Group, specializing in operational automation for high-achieving small business owners.

She helps professionals like dentists, attorneys, and consultants streamline backend operations so they can focus on growth, not grind. Her signature Autopilot Success System uses Al and automation tools to reduce administrative overload and unlock scalable efficiency.

## **Melanie Avery**

Automation firm that helps small business owners—especially in high-performance service sectors like law, dentistry, and consulting—build businesses that run on autopilot. We specialize in operational efficiency, marketing automation, and Al integration that frees up time, reduces overhead, and supports sustainable, profitable growth. Through our signature Autopilot Success System, we design

## **Autopilot Success System**

Streamline daily operations using practical automation tools and build Al-powered workflows that save hours each week. Simplify client onboarding, follow-up, and communication while eliminating admin overload with plug-and-play systems.
