

QUENTIN WEST

AIRBNB EXPERT

Quentin West is a nationally recognized short-term rental expert, entrepreneur, and founder of Shortcut to Superhost, a coaching company that has helped over 1,000 hosts across 15 countries build profitable Airbnb businesses. With a background in real estate investing and a portfolio spanning cohosting, property management, and Airbnb optimization, Quentin specializes in teaching ambitious entrepreneurs how to scale efficiently, leverage virtual assistants, and create financial freedom. His high-energy talks combine practical strategies with powerful mindset shifts, making him a sought-after speaker for real estate and entrepreneurship events.
