

FABIOLA BAUGHMAN SHAMANIC HEALER

Fabiola Baughman is a Peruvian-born shamanic healer, award-winning filmmaker, and author of *Awakening the Earthkeeper Within: A Journey to the Heart of the Andes*. A scientist turned spiritual teacher, she bridges ancient Andean wisdom with modern energy healing to help people release trauma, awaken purpose, and create lasting transformation. As the creator of the Soul Healing System and the acclaimed documentary *Journey to the Heart of the Andes*, Fabiola has inspired audiences worldwide to rise above fear, reconnect with the Earth, and live from their highest truth. Her clients from around the world are drawn to her rare blend of clarity, compassion, and grounded wisdom that transforms lives from the inside out.
