

KAJA SOLINC

GLOBAL FINANCIAL EXPERT

Kaja Solinc is a global financial expert and soon-to-be published author of *Make Your Money Work for You*. She believes that financial freedom isn't a dream. It's a skill anyone can learn. Originally from Slovenia, Kaja earned her Bachelor's degree from the Faculty of Economics at the University of Ljubljana and built a decade-long career in external audit at one of the Big Four firms. Driven by her passion for financial literacy, she left the corporate world to empower people to live better, more secure lives by taking control of their finances. As an expert in personal finance and investing, she helps individuals build confidence, structure and long-term stability through her consulting, workshops and corporate trainings on financial well-being.
