

# SADIKIN BUDIMAN

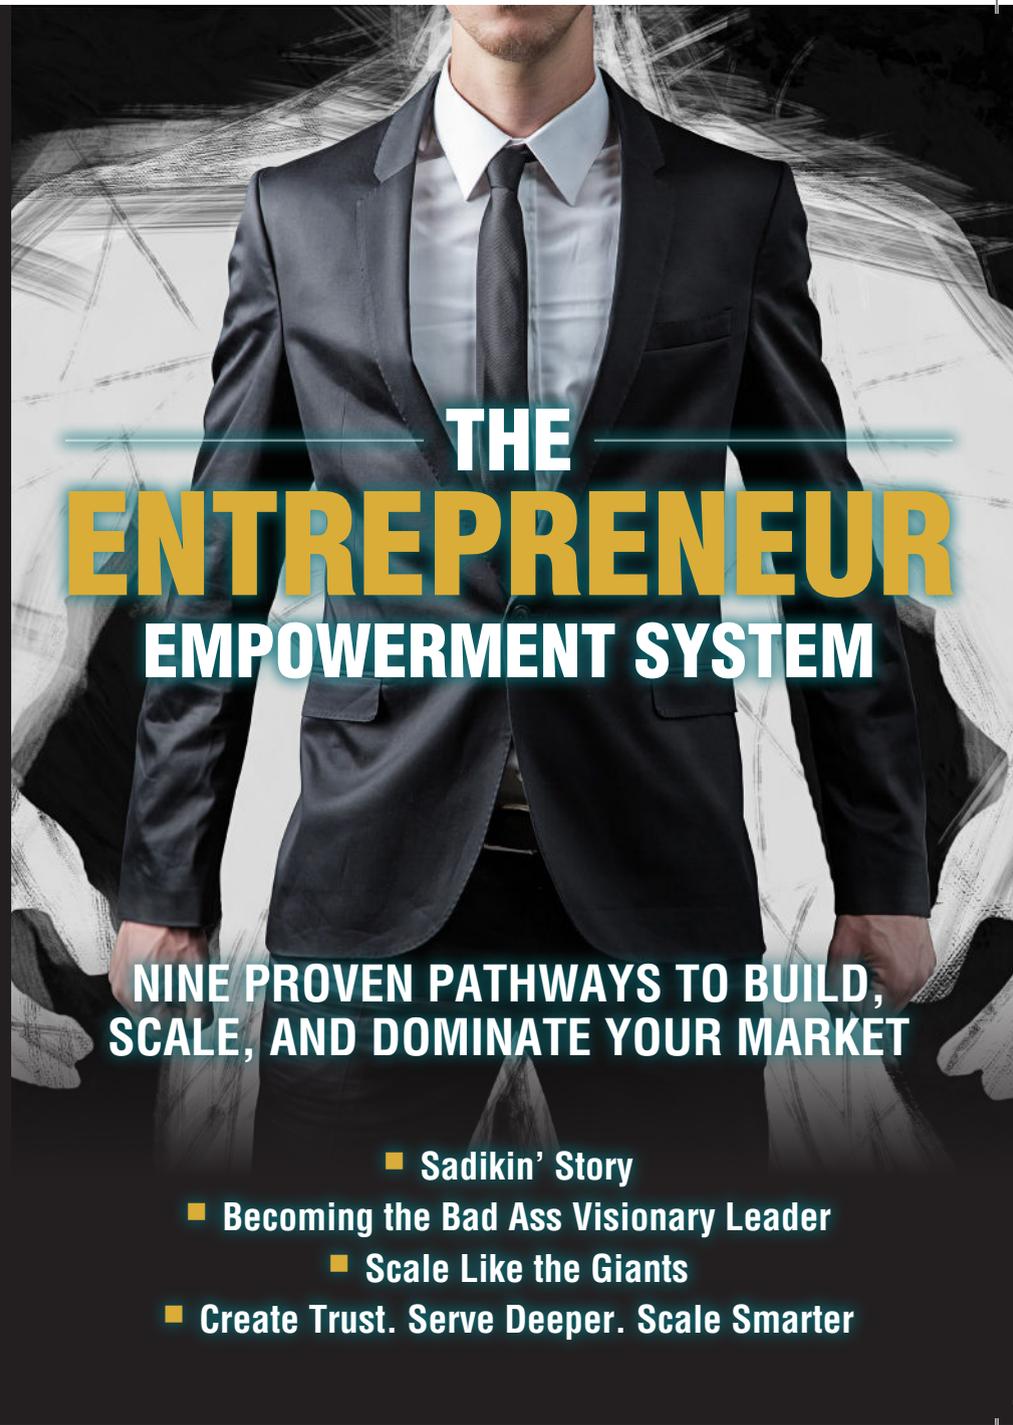

GLOBAL BUSINESS ADVISOR

Sadikin Budiman is a global business leader, real estate syndicator, and performance strategist with 30+ years of experience driving operational excellence and customer success worldwide. Having worked with organizations from small businesses to hyperscale enterprises, he now channels his expertise into empowering entrepreneurs to grow, systemize, and lead with purpose. As founder of The Entrepreneur Empowerment System™, he helps leaders align vision with execution, optimize operations, and build lasting legacy wealth through strategic growth and impact-driven business models.
